Police: Westport man harassed women for years

By Sophie Vaughan Published 12:00 am EDT, Friday, March 23, 2018

....
Despite me living in San Francisco from 2007-2017 and Westport Ct. being the only place of alleged incidents.

FACTS: Hearst is brazenly saying (putting phantom words in the police mouths) that I *“harassed women for years”*. As I have pointed out they did not even afford me the *“allegedly harassed”* language (which is still libel) that was written in their year later Feb. 11, 2019 **Article #3** of an actual first and only **Harassment arrest** and charge I faced. Yes their second hit job on me avoided the absolutist language from the March 23, 2018 first false arrest **Article #2**. The Feb. 11, 2019 second arrest **Article #3** attempts to be more careful in its title having written *“accused of harassing women”* (which is also wrong, unfair, and libelous) and then proceeded to write in the opening paragraph *“allegedly harassed”* (which is still libel) thereby showing that the March 23, 2018 first hit job **Article #2** deploying the absolutist language of *“POLICE: Man Harassed Women for Years”* **without any proper “allegedly” language** let alone proper quotes from police or even any woman at all relative to my noncriminal past to be obviously unfair, damaging, and libelous.

The following 2020 article’s title concerning Governor Andrew Cuomo is somewhat similar in tone to Hearst’s title of me yet at least with a complainant’s **name and quotes** in tune with possible **harassment definitions** for with the accusations against Mr. Cuomo there are possible multiple unwanted contacts towards individuals because he did indeed see them - *“for years”*. The definition of **harassment** – dictionary definition - is the gist of this case – **veritable “harassment”**. I merely crossed paths with someone at a market or café **one time** and was accused by an officer of allegedly *“getting into personal space”* toward women. I was described in the Brief Description of any past Incident Report as a **“suspicious person”** (that resulted in no arrest of anything whatsoever after thorough investigations) also **there are NO “harassment”** Brief Descriptions of any past Incident Report).

Andrew Cuomo is accused by 9 **named women** of **various harassing** - *“uncomfortable” to “sexual misconduct situations”* (UNDER INVESTIGATION BY NY ATTORNEY GENERAL) and keeps his job while I am never accused by named women, have no woman going to the media outside of an old spinster named Wendy Higgins Chambers, and have the officer responsible for the Warrant narrative of *“getting into personal space”* himself saying he never used the terms **stalk or harass** (BASED ON PAST INVESTIGATIONS OF OTHER OFFICERS RESULTING IN NO ARREST OR LAWSUITS) yet I am losing work and unable to sell myself

because of Hearst personal unproven and unprovable narrative of *“harassing women for years”*.

Former aide says Cuomo sexually harassed her 'for years'

Lindsey Boylan, a Democratic candidate for Manhattan borough president, says, 'I *know* I am not the only woman'

Lindsey Boylan ✓

@LindseyBoylan

Yes, @NYGovCuomo sexually harassed me for years. Many saw it, and watched.

I could never anticipate what to expect: would I be grilled on my work (which was very good) or harassed about my looks. Or would it be both in the same conversation? This was the way for years.

9:16 AM · Dec 13, 2020

“FOR YEARS”... meaning they saw each other more than a brief 5 minute time at a public market – they were associating for veritable “years”.

FACT: I never had any woman quoted saying I “harassed” them prior to the Feb.6, 2019 second false arrest for email harassment and was never investigated or arrested for any kind of harassment!!! In fact the March 23, 2018 hit job article’s (Article #2 aka Big Deuce) only has this one woman/name Wendy Higgins Chambers (not involved in arrest nor any past complaint) who herself does not deploy words saying I “harassed” her. This article describes me giving her my business card to an “obscure website” and this Wendy Higgins Chambers actual words are “he showed up in front of my car and scared the crap out of me. He said he wanted to go out with me and I said I did not want to go out with him. He is a creep”.

HARASSMENT? THIS ONE OLD WOMAN CAN CLAIM WHAT?

I NEVER saw this woman again. It was a one-time approach and encounter devoid of complaint to anyone – market manager, police, media at the time, let alone complaint to me (for she had my business card) that allegedly happened months before my **ONE COUNT Second Degree Breach of Peace** arrest. Is this meeting in a publicly shared supermarket (with cameras) not an everyday occurrence? The article concludes with this sole woman Wendy Higgins Chambers being quoted “A woman (never identified and with no complaint to anyone) who saw me show the article to a

manager said he tried to pick her up twice at Darien Whole Foods”. The fact remains Hearst’s star witness and only woman related to the libel that started the damages is this woman Wendy Higgins Chambers in the article who never herself uses the word “harass” and certainly does not have “POLICE” saying I harassed her. **Hearst takes it upon themselves to write that police say I absolutely “harassed women for years” despite having no woman quoted saying this let alone never having the police themselves using this harassment language nor any quotes from women of anything I might have said (since this is allegedly a non-sexual harassment type of harassment).**

FACT: I never had any prolonged unwanted contacts nor was I ever accused of anything like **Threatening** which is an actual charge in the state of Connecticut as well as threats being associated with **First Degree Harassment** with intent to do physical harm. I was charged with **ONE COUNT of Second Degree Breach of Peace that obviously showed no intent** to which Hearst outrageously attempts to conflate me as “**threatening**” and “**harassing**”. This is unproven and unprovable nonsense. If I were veritably **threatening or harassing** there obviously would have been some kind of arrest in the past. Once again, there are numerous types and levels of concerns and or fears and conflating any concern or fear or “scare” with there being a **threat** is for lazy minds with an obvious agenda. Conflation is a huge problem in our culture now with these less than average media types deploying a sick Guilt by Accusation procedure that violates proper laws. **In all reality what Hearst did was far worse than already hideous Guilt by Accusation instincts because they do not even have any words from anyone saying I harassed outside of the second false arrest for unproven email harassment in Feb, 6, 2019.**

FACT: The Warrant officer did not write that I “harassed” any woman.

FACT: The Warrant officer did not write that I “threatened” any woman.

Notice in the Mr. Cuomo accusation that the woman (yes an actual woman coming forward like most **harassment stories**) tweeted that “**many saw it**”, it being her accusations of Cuomo’s **harassment** – potential evidence to which has never been part of my simple exonerated arrest let alone any past complaint devoid of Probable Cause for any kind of arrest all blown way out of proportion by Hearst. **So we have here Dec. 13, 2020 an accusation of Mr. Cuomo “harassing for years” – that are being described as sex harassment - multiple acts directed at ONE PERSON “for years” - Mr. Cuomo toward an individual woman. Chief to my arguments is that veritable Harassment is a type of Course of Conduct behavior from one person toward another person within 99% of all dictionary and cultural definitions. AND the Hearst reporter had the benefit of actual police investigations that did not show Probable Cause and did not result in any arrest and did not result in any description of alleged incident deploying the word harass, reports she should have ascertained and studied before her rushed and opportunistic hit job.**

The amount of material I have to share backing up my arguments as shown deserves to be socially scientifically in front of a Jury of Our Peers for this is an obvious issue of the zeitgeist that everyday people need to weigh in on. The people should be the ones bringing aid to defining this raw zeitgeist. How many stories must we read about showing obvious confluations with this **MeToo sex harassment** zeitgeist to start to open up to some true stories of victims of this overly loose “**harassment**” language being deployed. I have clear evidence of what happens to innocent

people who never caused any harms or damages from such overly free and loose accusations.

Mr. Cuomo is accused of having made repeated remarks on his accuser's appearance. **There were no hostile words let alone words at all involving my arrest and there are no quotes from women in past documents quoting me with harassing words!** FOIA Request for the arresting incident Dispatch Tapes shows undeniable proof the woman involved (who never pressed charges) NEVER DEPLOYED THE WORDS HARASS. My arrest had nothing to do with verbal harassment. My arrest had nothing to do with sex harassment. My arrest had nothing to do with "unwanted touching" (notice media careful avoidance of deploying sex harassment labels) that president-elect Joe Biden was accused of from multiple women – actual names. At worst I was a "suspicious person" attempting to say hello to someone who themselves felt uncomfortable with the approach. This is not a crime. When and if there was a communication of displeasure in the form of a concern or complaint I was never to be seen again as evidence in there being no second incident report involving a relative person (which would invite a harassment or stalking investigation or charge or restraining order hearing). Now because of Hearst's adolescent-like knowledge of basic dictionary definition words let alone the law I can be described in any way someone views harassment to be and that is not right. This case demands as many opinions as possible to properly define harassment let alone the particulars of my "totality of conduct" from actual names and quoted accusers claiming harassment.

CUOMO WOMEN WHO COME FORWARD IN MEDIA – NAMED WOMEN WITH INDIVIDUAL PARTICULAR STORIES

1- **Lindsey Boylan**, former aide (saw each other multiple times – nearly every day for years) detailed allegations of harassment from Cuomo. Among other things, Boylan said Cuomo kissed her on the lips and asked her to play strip poker during a plane ride.

2- **Charlotte Bennett**, who began working for the state March 2020 (saw each other nearly every day for a year), says Cuomo had repeatedly asked her intimate personal questions, which felt like “something out of a horror movie.” They included questions about her romantic life and whether Bennett, 25, “had ever been with an older man.”

3- **Anna Ruch**, now 33, detailed an incident from September 2019 at a wedding reception in New York City. Cuomo had put his hands on her bare lower back, adding that her dress had an open back. Ruch says the governor told her she seemed aggressive, and proceeded to put his hands on her face and asked if he could kiss her. Then the governor allegedly kissed her cheek.

4- **Ana Liss** – staff member (multiple contacts - saw each other nearly every day), a policy and operations aide who worked for the governor from 2013 to 2015, said he’d behaved inappropriately while on the job in Albany. The governor called her “sweetheart” and asked if she had a boyfriend. Liss said Cuomo touched her on her lower back during an event, once kissed her hand and asked her if she was dating.

5- **Karen Hinton** - a former press aide (saw each other multiple times) of Cuomo says “he called her to his dimly lit hotel room and embraced her” after a work event in 2000, when Cuomo led the U.S. Department of Housing and Urban Development and she was a consultant for the agency.” Hinton said she “pulled away from Cuomo, but he pulled her back toward his body, holding her before she backed away and left the room.”

6- **Unnamed accuser** - a member of the Executive Chamber staff, claims Cuomo inappropriately touched her during an encounter last year at the Executive Mansion.

7- **Jessica Bakeman** – reporter (with multiple contacts) governor gripped her tightly as she went to say goodbye for the night.

8- **Alyssa McGrath** – former aide (saw each multiple times - nearly other every day for years) look down her shirt and complimented her jewelry and remark on her looks and make suggestive comments, inappropriate conduct, sex harassment

9- **Sherry Vill** - with picture of unwanted kiss at her house

"UNWANTED TOUCHING" IS A CERTAIN FORM OF "getting into personal space".

BUT UNDOUBTEDLY UNWANTED TOUCHING IS WORSE THAN UNWANTED ADVANCES BECAUSE UNWANTED ADVANCES ARE FREE OF TOUCHING. YET UNWANTED TOUCHING IS STILL NOT VIEWED AS **HARASSMENT** BY MAJOR MEDIA.

'The View' discusses Lucy Flores' accusations against Joe Biden: 'She doesn't claim this is a #MeToo moment'

Biden said making Flores feel uncomfortable was "never his intention."

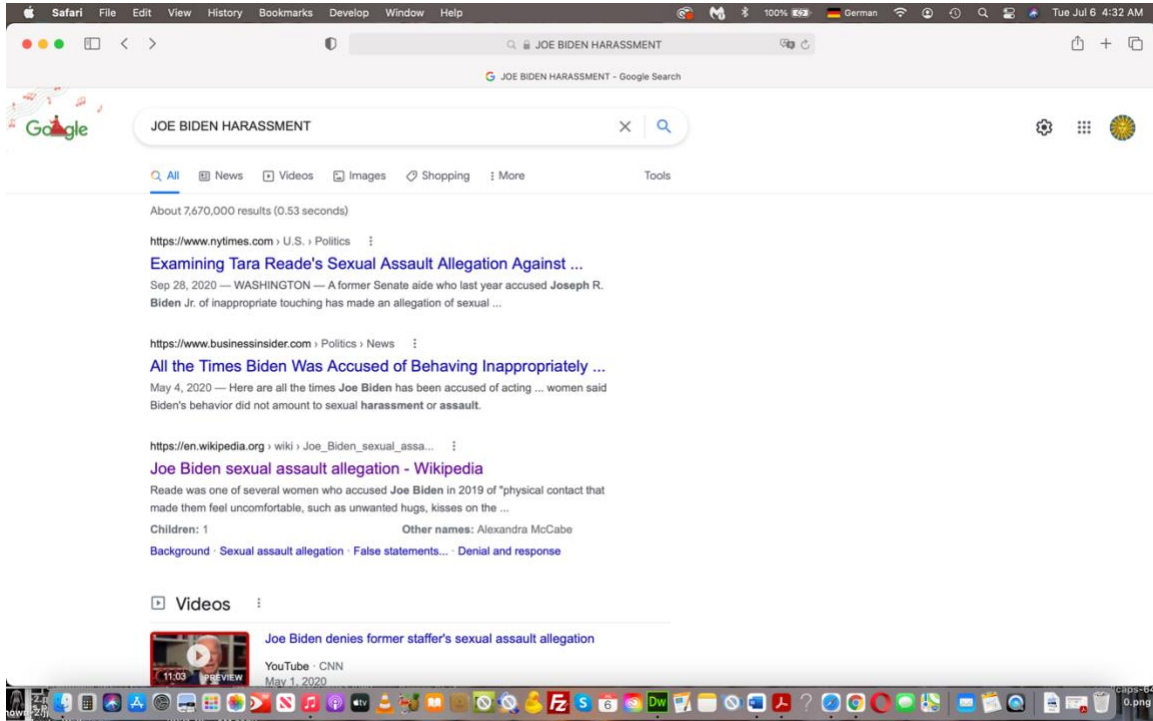

NAMED WOMAN CLAIMING IT IS NOT **HARASSMENT**.

WHERE ARE WOMEN IN MY PAST INTERVIEWED AS TO IF THE COMPLAINT WAS METOO OR **HARASSMENT**?

BIDEN HAS ACTUAL NAMES AND STORIES AND HE IS STILL IS NOT BEING ASSOCIATED WITH **HARASSING**. AND HIS ALLEGED CONDUCT IS ARGUABLY WORSE THAN MY ALLEGED CONDUCT.

HEARST HAS NO NAMES AND PARTICULAR STORIES AND SHOULD NOT BE ALLOWED TO ASSOCIATE ME WITH **HARASSMENT**.

FACT: GOOGLE “JOE BIDEN HARASSMENT”
AND YOU ONLY GET HIS **SEX HARASSMENT/SEX ASSAULT**
ACCUSATION FROM NAMED WOMAN TARA REID. THE OTHER
MEDIA TREATMENTS OF ACCUSATIONS FROM NAMED WOMEN IN
2019 DO NOT DEPLOY THE WORD **HARASSMENT.**

CHECK OUT HOW CAREFUL NEWS 12 IS IN 2019 WHEN REPORTING ON JOE BIDEN - A YEAR AFTER THEIR "UNFAIR" AND "OUTRIGHT FALSE" COVERAGE OF ME BACK IN MARCH 2018. I WONDER WHY.

THE MORE MEDIA ARE WARNED THE BETTER SOCIETY WILL BECOME.

MILFORD - A Milford woman is accusing former Vice President Joe Biden of touching her in a way that made her feel uncomfortable.

NAMED.
QUOTED.
PICTURED.
ACCUSES.

IS NOT GOING TO THE MEDIA FAR WORSE AND DAMAGING THAN A CALL OF CONCERN TO POLICE TO WARN SOMEONE FREE OF PUBLIC PERSECUTION?

THIS DESCRIPTION "*MAKE FEEL UNCOMFORTABLE*" IS ACTUALLY IN INCIDENT REPORTS OF MY PAST NEVER USING **HARASSING TERMINOLOGY**.

Δ - IF ONLY I WAS AFFORDED THE SAME RESPECT BY HEARST THAN WE WOULD NOT BE ACQUAINTED IN THIS APPEAL PROCESS.
